To Our NCR Paper* Brand Roll Customers:

Appleton is committed to lean initiatives and Six Sigma to eliminate waste and reduce costs throughout its production facilities. Despite these efforts, the escalation in energy, chemical, base paper (pulp) along with transportation costs has exceeded our best efforts to contain the impact of these cost factors.

Appleton is announcing a price increase on NCR PAPER* Brand carbonless roll products and DocuCheck® security papers sold in the United States and Canada.

Effective with shipments on Monday April 7, 2008, Appleton will increase prices of roll products as follows:
